

## BIRTHDAY PARTIES AT STUDIO ON THE COMMON

Our large, private studio is an ideal place for your child and their friends to be led by an artist in creating a unique craft of your choice.

Each birthday party includes two hours in the studio with a teacher led art craft. We customize the craft to fit your child's interests. We provide the materials and instruction. The art craft usually lasts an hour and depending on the group's age and interest we also run games to keep the children moving and let them explore our floor to ceiling white board wall. Relax and leave the mess to us so you can enjoy your child's special day!

Cost is \$350. Includes 10 guests (each additional guest is \$15), all craft materials and a craft instructor/party coordinator.
